Dear Sir,

LETTER OF APPRECIATION

In view of your company's performance at our work site during work execution of EPCC KR1 Tank Overfill Protection Fired Heater Safeguarding Improvement Compressor K-1101 & K-1102 A/B Up Gradation, it is noted that your company has given full commitment in sustaining good HSE performance.

We are truly grateful since your company had continuously shown the excellent performance in order to achieve our target which is towards zero accidents and incidents.

We hope that your company and personnel to maintain the best practices for forthcoming projects for the benefits of all parties involved in the plant and non-plant area.

Thank you.

Your faithfully
for **PETRONAS PENAPISAN (TERENGGANU) SDN BHD**
